Hi Eugenia,

Can you provide me with an estimate of when the SEDflume data (in-field and laboratory) and the bathymetric survey data from NB will be available? I'm just trying to plan ahead.

Also, I will be meeting with Tom Mongelli and Sal Badalamenti next Wednesday at 1:30 PM on another project and will likely finish up around 3 PM. If you are going to be in the office, I would like to stop in and say hello.

Thanks.

Geoff
